

Hi!

My name is Martine Stoffelsma and I'm 20 years old. I'm in my first year of psychomotor therapy at HAN in Nijmegen, the Netherlands.

I am very active, I like almost all kind of sports, especially basketball and running. If I am not studying, I like to spend time with friends, have delicious dinners, go shopping and I really like to travel and experience new cultures.

I am really looking forward to meet you all and to learn of each other! See you in August!

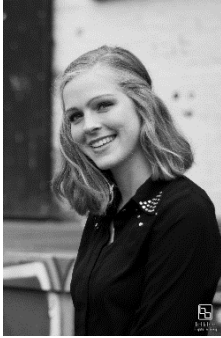

Hello everyone,

My name is Nathalie and I'm from Holland (HAN). I've also joined the IP in Zürich last summer and I really want to meet some of them again. After the IP I'll stay at the ISRP, to do the Erasmus of a half year. So I speak French very well. There after I'll write my thesis and hopefully I'll graduate.

I'm 22 years old and very sportive. I like to run, do gymnastics or acrobatics. I'm also a teacher and Judge in gymnastics.

I hope to meet a lot of new people and to learn new theories! See you at the end of this summer!

Regards, Nathalie
