Hello, my name is Pedro. I live in Portugal, in Almada a town near the capital, Lisbon. I am 40 years old, I was born in Africa, and spent part of my childhood in the “Ilha das Flores” in Azores

My participation in the Summer School 2015 is motivated by the interest and need to exchange experiences and learn more, also with teachers and students from other countries. The contact with other cultures, ways of working and sensibilities, is a good way to improve my knowledge.
